• Marellbar Roan Randolph, senior stock bull in the German Stock Farm herd, has the conformation, pedigree, and breeding ability to command respect in any herd. He is a rugged, deep, low set red roan with heavy bone, good head and deep, heavy hind quarters. He was bred in the world famous herd of Calrossie, owned by Captain John Mac Gillivray of Rossshire, Scotland. His sire, Kirkton Baronet, has been the top sire in Scotland in recent years and his sons consigned to Perth Sale each year, have sold for record prices. Calrossie Cupbearer, present chief herd sire at Calrossie, is a son of Kirkton Baronet and therefore a half brother to Marellbar Roan Randolph.

The calves and young cattle in this draft sale will give ample proof of the breeding ability of Marellbar Roan Randolph.
